## FOREWORD

Every Yearbook attempts to put into some tangible form the achievements of that year. This, your 1953 Tiger's Lair, endeavors to present a truly representative record of the joys and disappointments experienced during a year at Terrell High School.

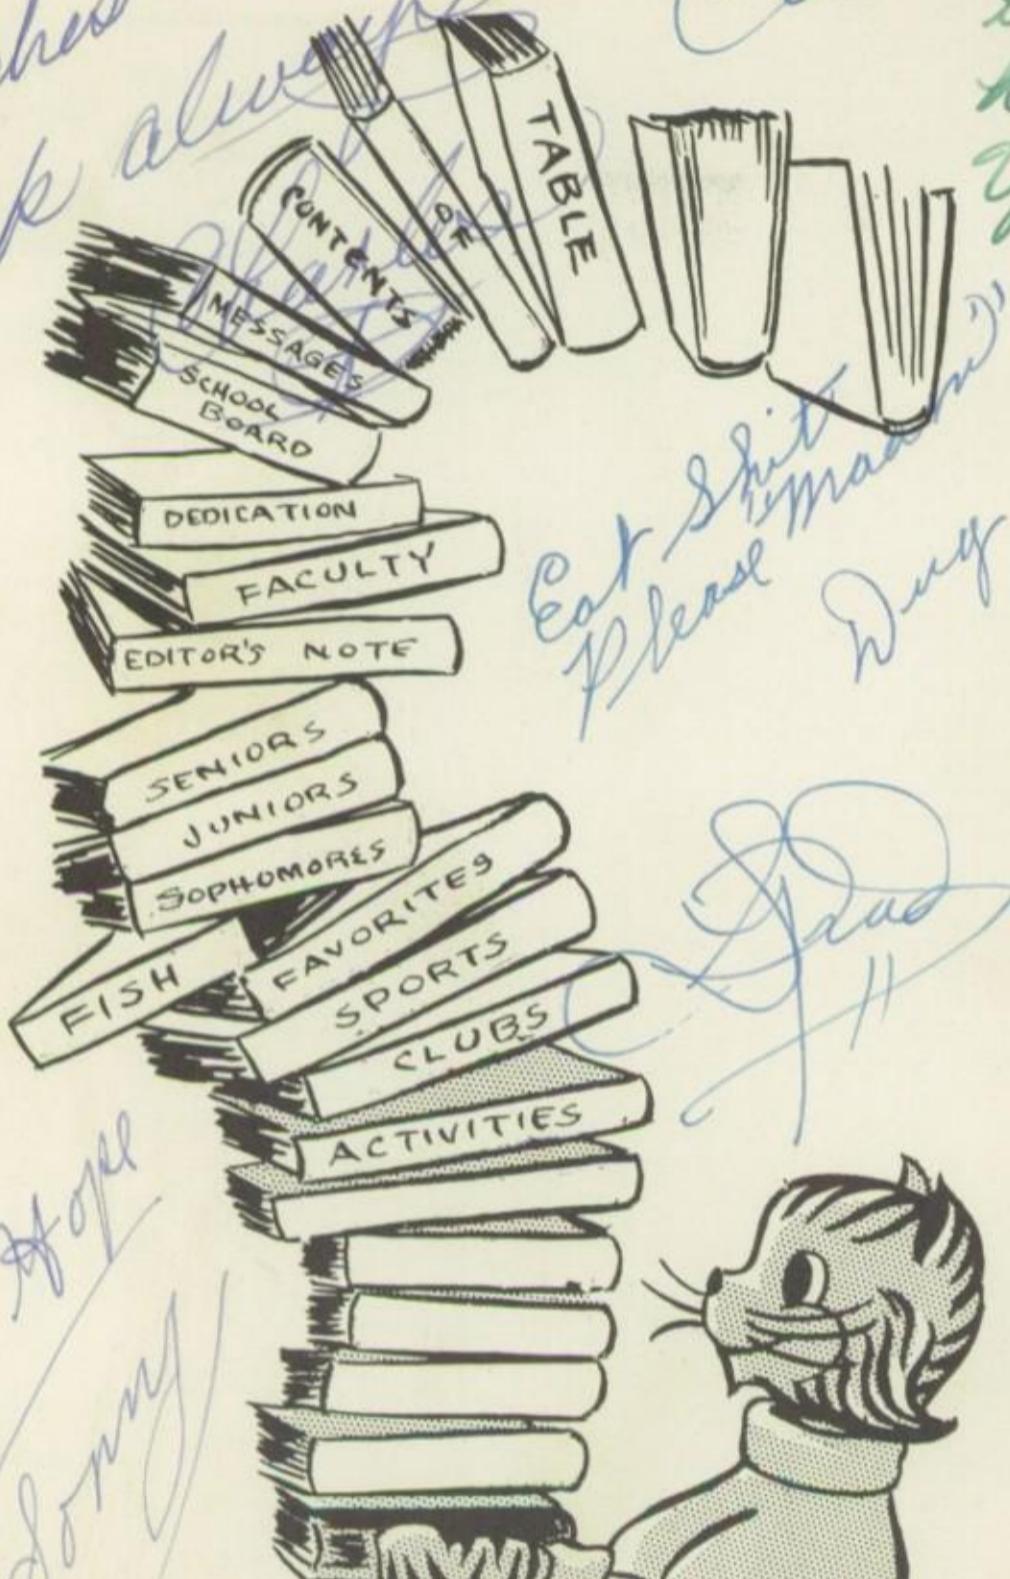

In examining this book carefully you will find a great many changes from previous Tiger's Lairs. Our sole objective in making these changes has been to give you the best possible yearbook. Informality and simplicity have been the dominating factors in our work.

Joe Rogers

Best of luck!  
to a sweet gal.  
Joe Rogers

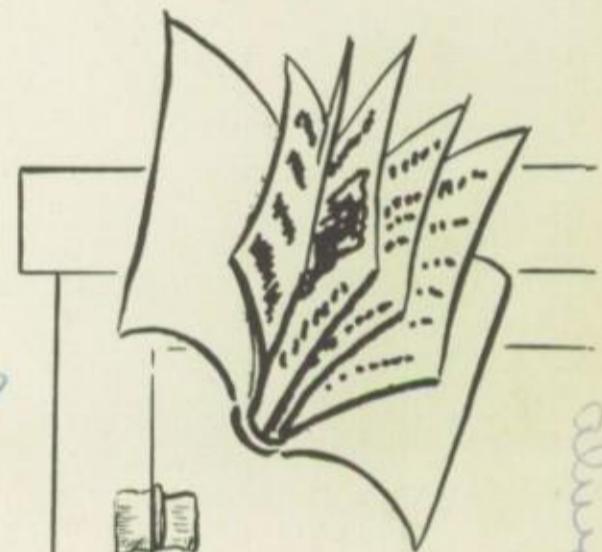

I hope you  
do as good in  
life as you have  
in school  
Tom skin

A black and white line drawing of a table with a bottle and glasses. The bottle is labeled 'CONTENTS OF TABLE' and 'MEE'. The table is set against a background of cursive handwriting that reads 'Best of Wishes & lots of Luck always' and 'Best of Billy'.

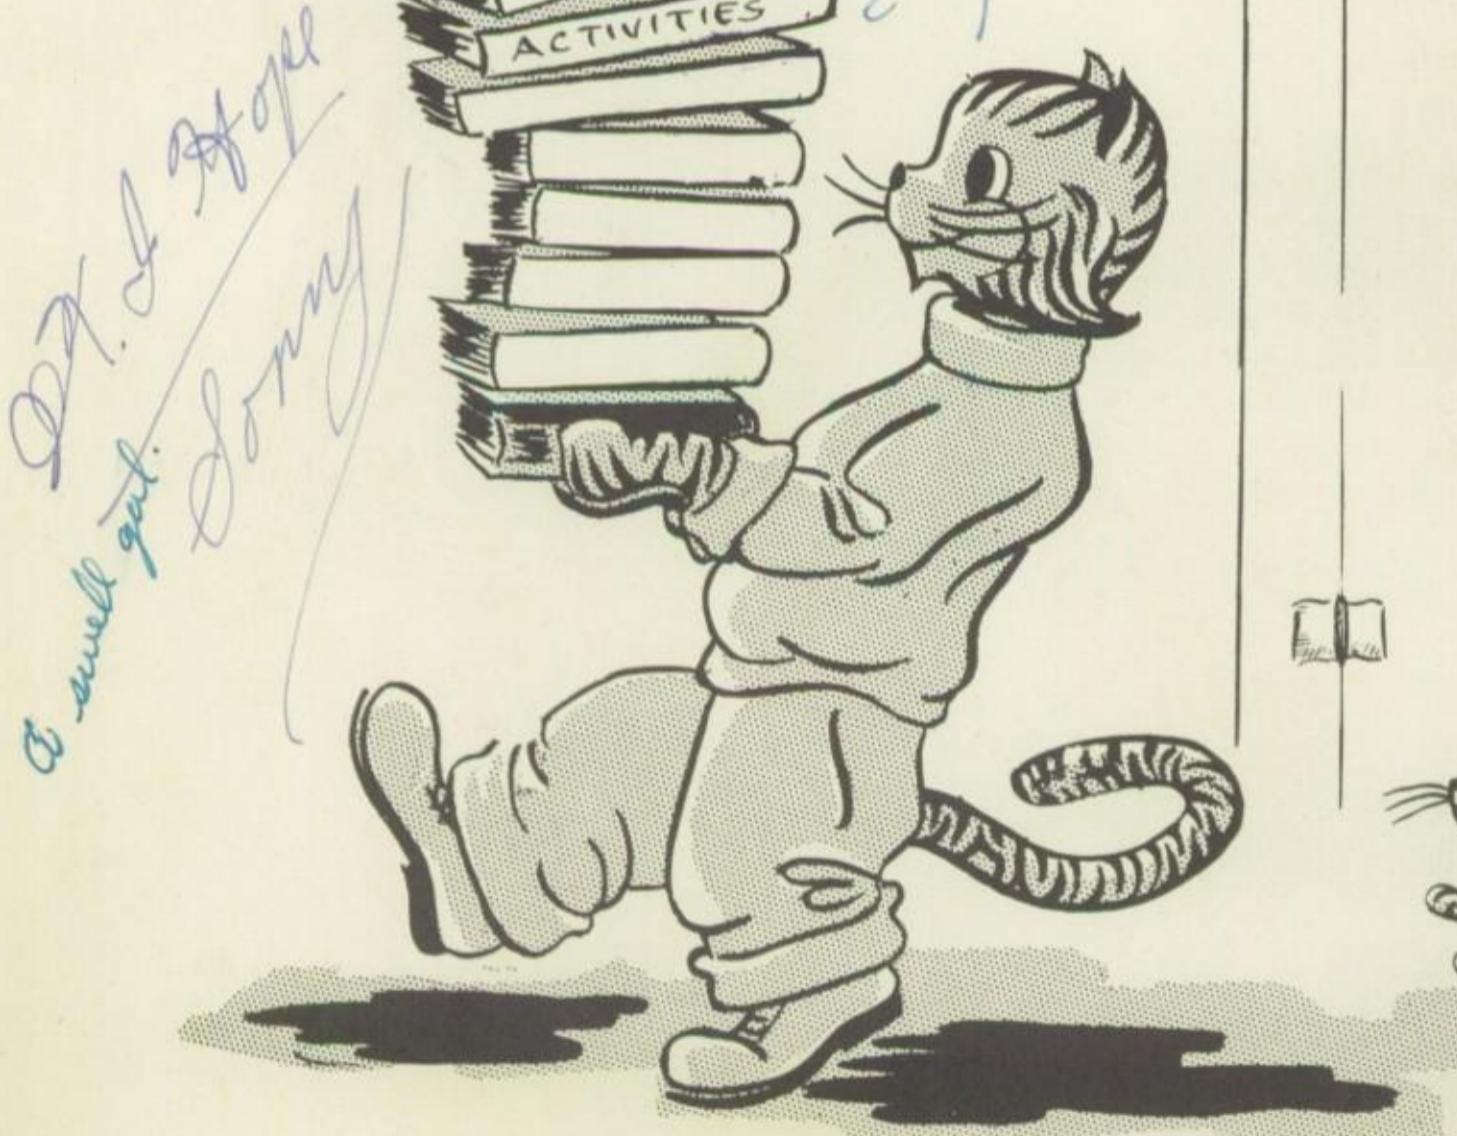

Is a wonderful girl with a darling personality - May the best that life has to offer be yours. You deserve it, Dot!!

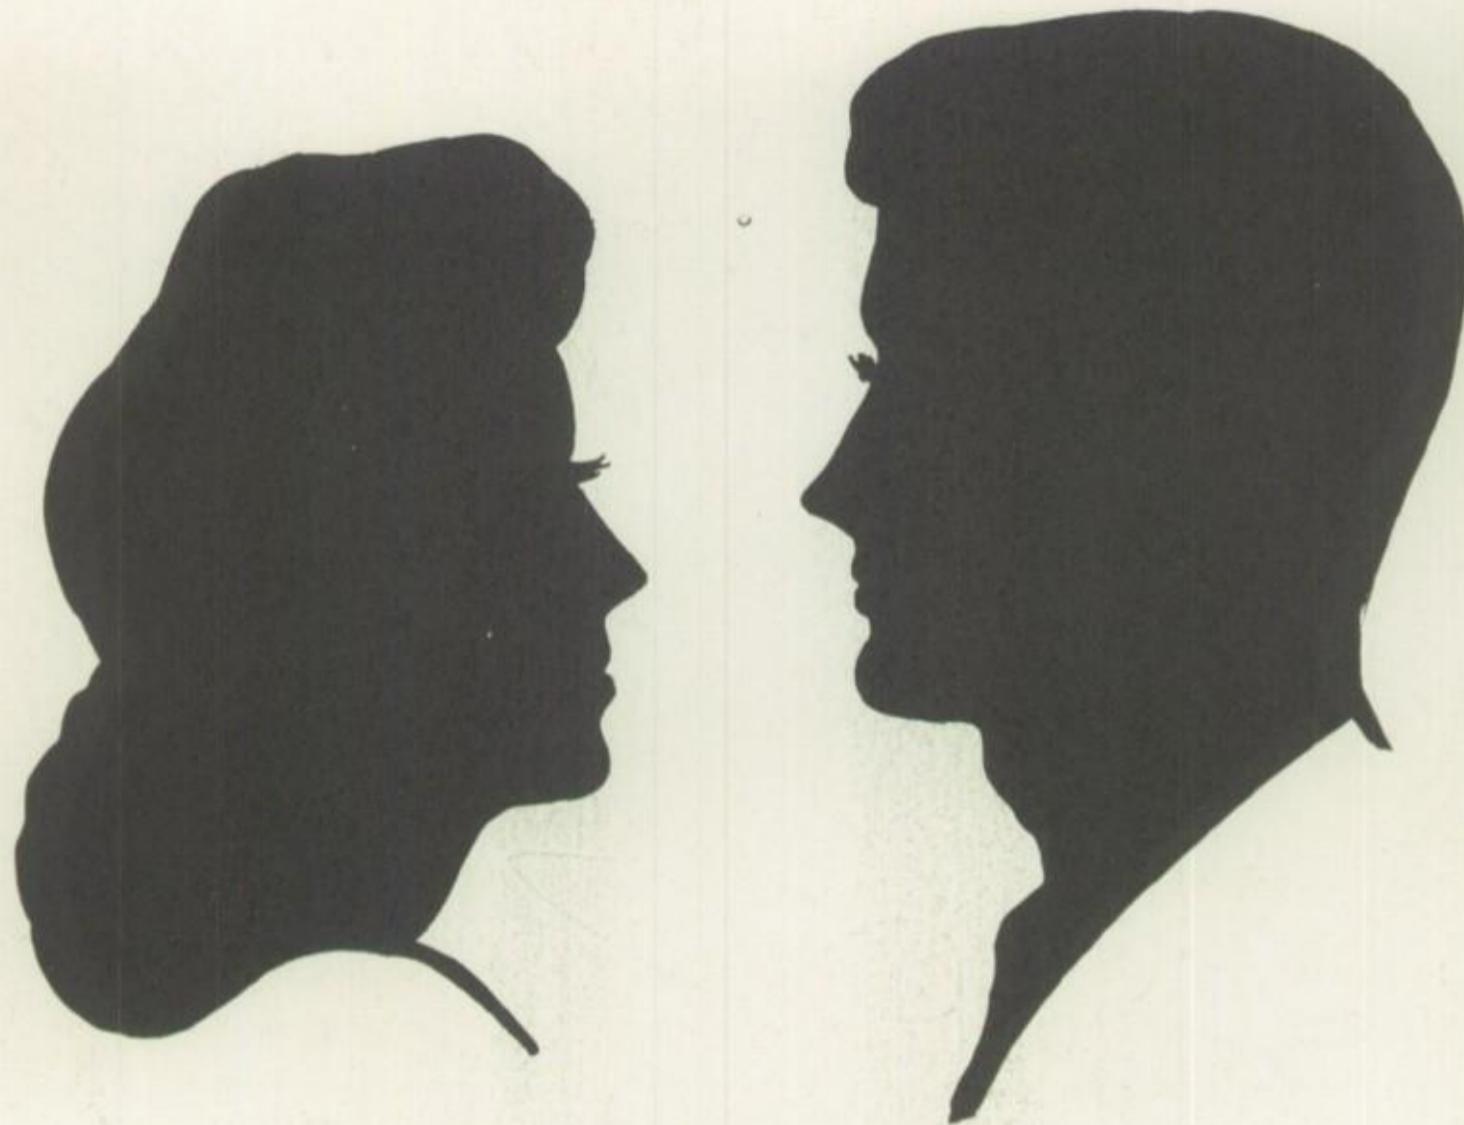

Love  
Barbara

Jill is a sweet gal  
with the best of luck.

## *Dedication*

Because you deny yourself so that we have that which you did not have;  
Because you desire for us the higher and finer things of life.  
Because you understand when all our world goes wrong;  
Because you love us in spite of our shortcomings;  
And, because we want to express our love and appreciation, we, the students of Terrell High School, dedicate this volume of our annual to you---Our Parents.

We, the Editors of the 1953 Tiger's Lair  
would like to say a word before you continue.

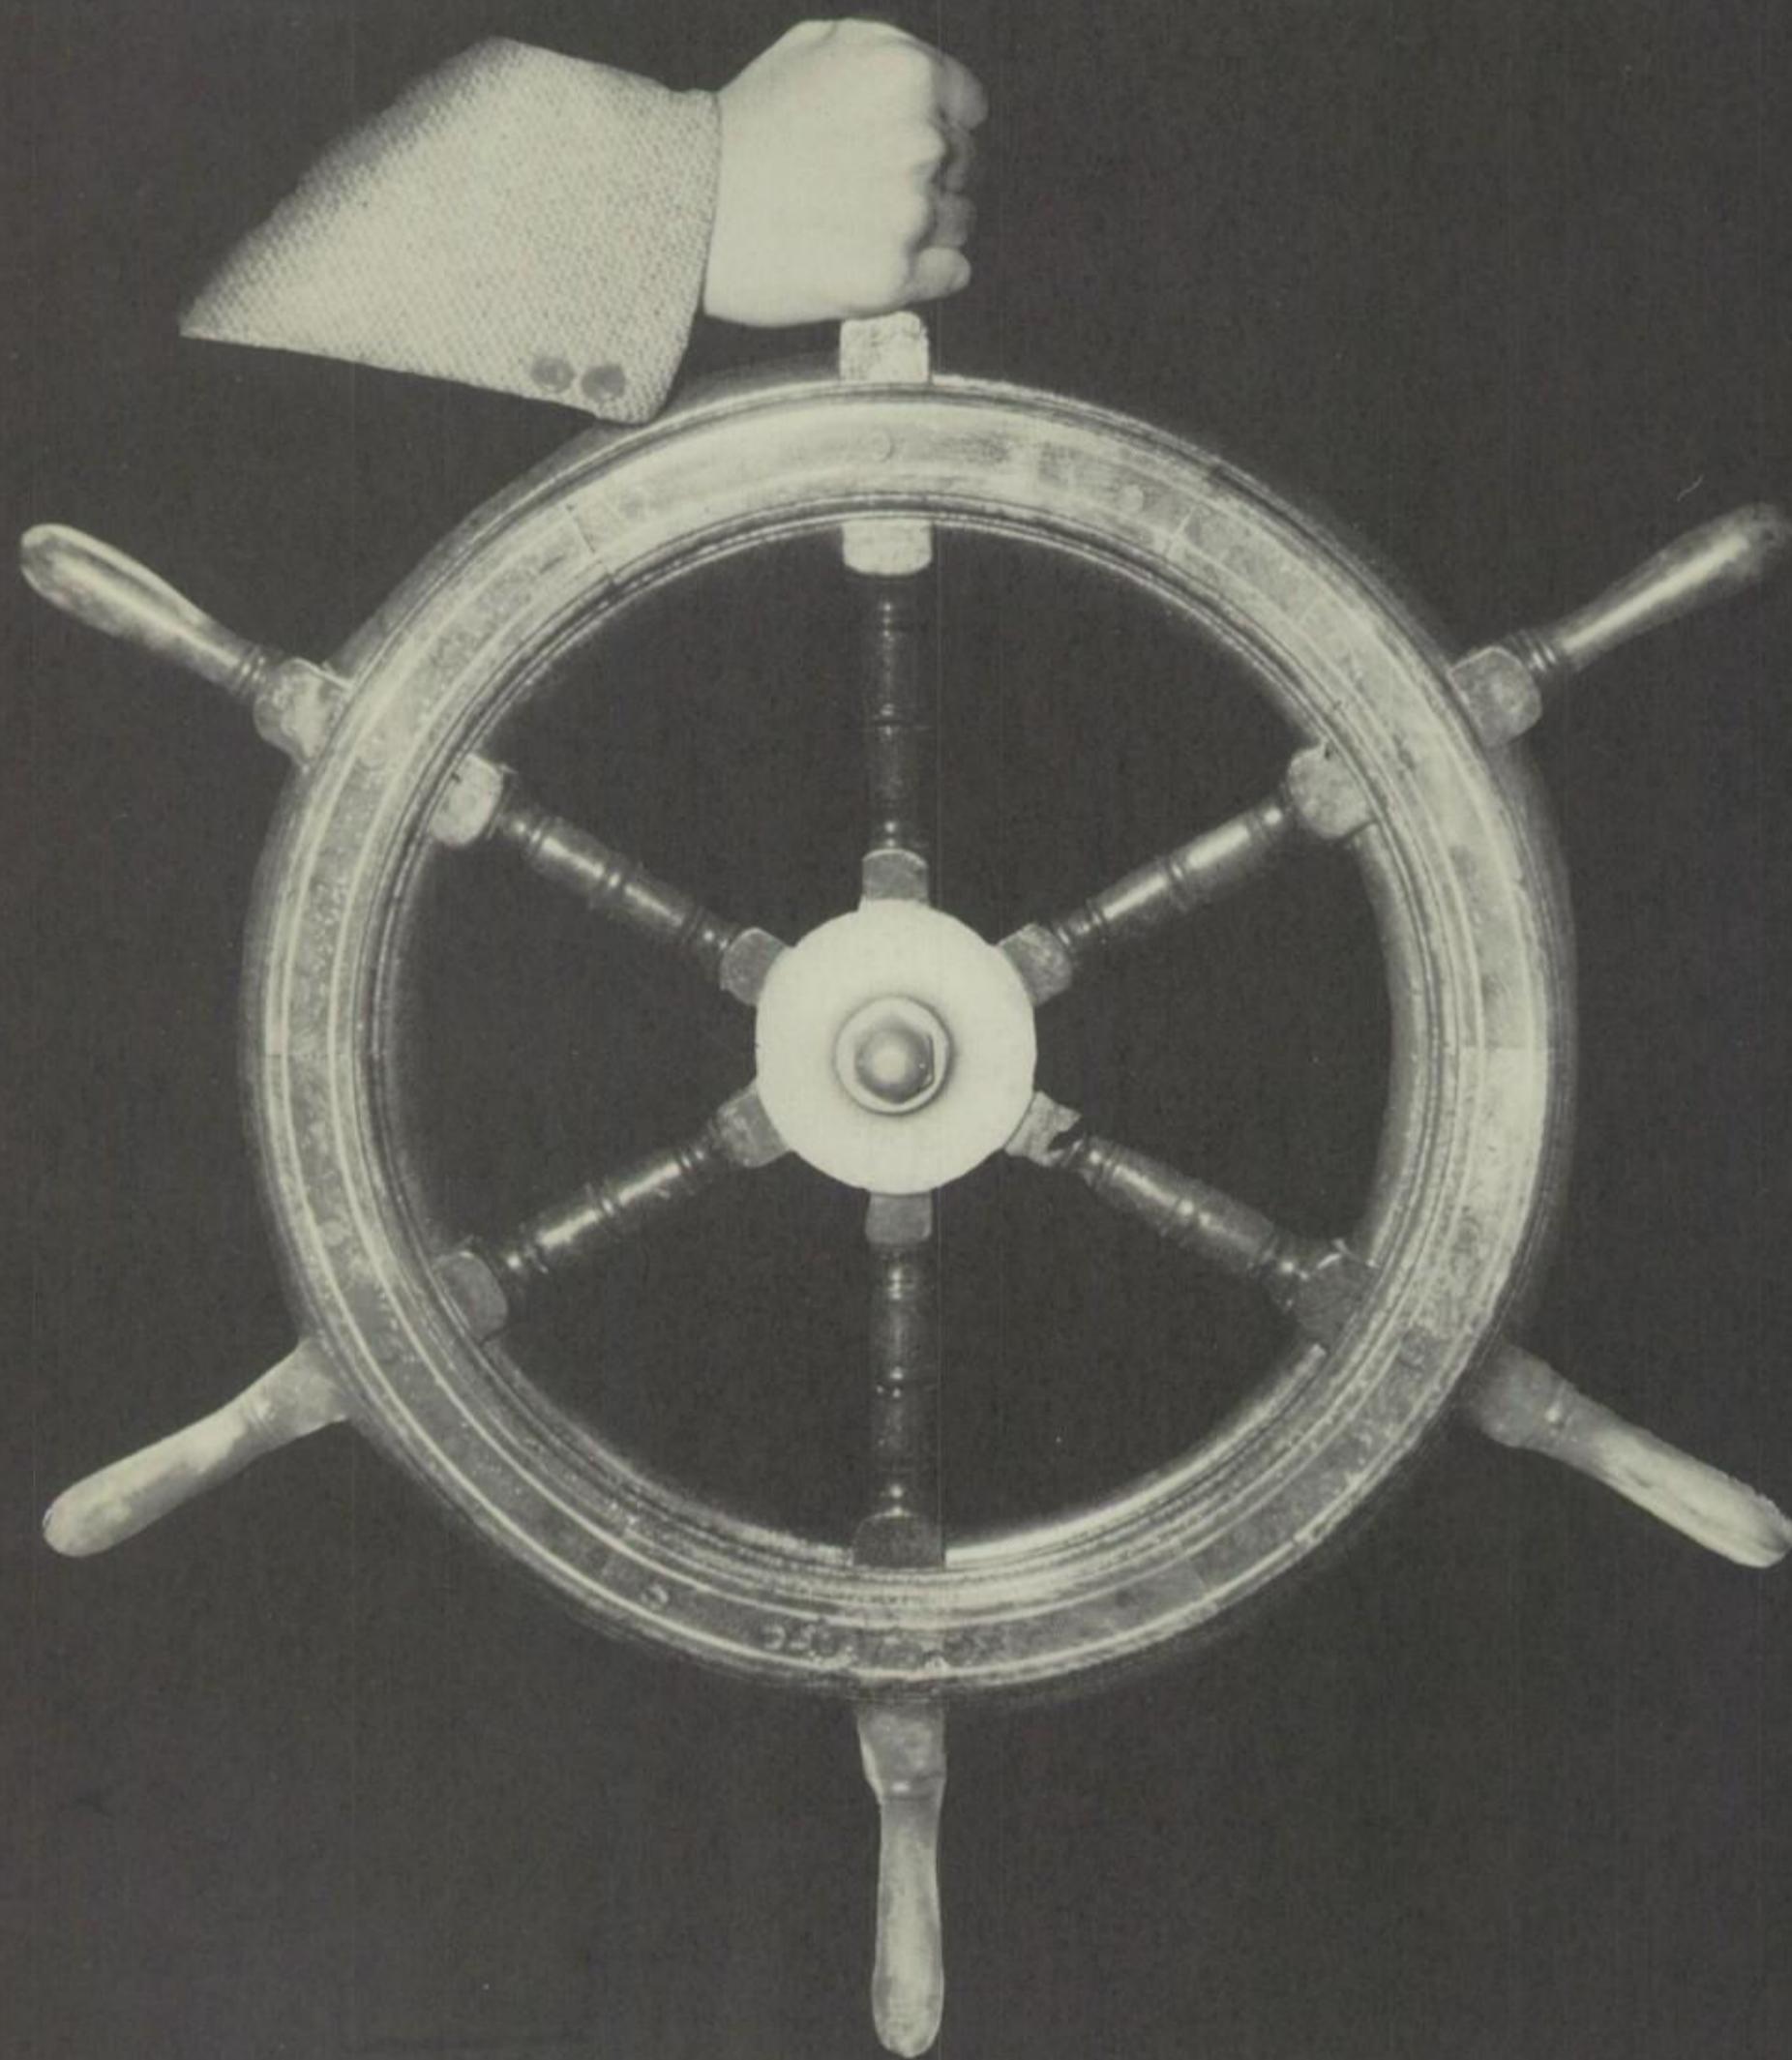

We want to thank our competent staff and though we  
have had differences in opinion and the organization of the  
book, we hope that despite these differences we have gathered  
for you the pictures, write-ups, and memories which you choose  
to record.

We would like to point out that our advertisers have spon-  
sored individual pages in the book this year, and you will show  
your appreciation as we do by patronizing them.

We do wish to take this opportunity to thank the students, ad-  
vertisers, and publishing company for helping us.

Here it is for you to like or to dislike, to be proud of or to complain  
about-----

Most enthusiastically on his base horn.

Knows just what to wear to look swell.

BETTY HARWELL

There's a beautiful girl the boys have failed to recognize.  
Betty's brains have been overemphasized.

If one could make passing grades for looks,  
Charles would force the school to throw away their books.

FRED HEATH

Vacation time is Fred's love.  
If it were possible he'd give the calendar a shove.

HELEN HIGH

Certain habits Helen should shun.  
A bit of advice is to clothe her remarks in cotton.

Life around Caroline is never dull.  
She's the world's worst for getting in trouble.

JAMES HOTTINGER

Rains may fall and snows may come,  
But James keeps on chewing that gum.

Is the number one lady killer.

J. W. JACKSON

On the football field looks like a mite.

He looks unjointed and slops around like Ichabod.

But just get a load of Jerry's socks.

MARGARET STALLINGS

Haley's Comet cannot compare

With carrot top Rusty Stalling's hair.
